*** Proposal by Japan to delete the last operative paragraph and to insert two other paragraphs – ‘invites the proponents of the sanctuary to refine their proposal with particular reference to scientific objectives relating to the management of whale stocks that are defined on a way amenable to evaluation by the Scientific Committee’; ‘proposes to convene a Working Group immediately prior to IWC/46 to review the above and to develop a protocol for trials to be addressed by the Scientific Committee’.

**** Vote on the basic Resolution on a sanctuary in the Southern Ocean.
