Corrections to Schedule for 2016 and 2018

On 2 October 2018, the Secretariat issued Circular IWC.CCG.1341 announcing Amendments to the Schedule as adopted at IWC67. The Schedule was posted for 90 days as required under Article V of the Convention. As no objections were received, the Schedule was posted as final on 31 December 2018, as announced in Circular IWC.CCG.1347.

The Secretariat was recently informed that the text of footnote 1 referenced at Paragraph 13(a)(2) was inadvertently omitted at the bottom of the same page (page 8) of the Schedule. The Secretariat has made a correction to the 2018 Schedule, which can be downloaded [here](#).

Paragraph 13(a)2 and its footnote were added to the Schedule in 1983, following IWC34 in 1982. The Commission did not amend the Paragraph nor the footnote at IWC67; therefore, the omission of this footnote did not have any legal effect on the Schedule as it applied as of 31 December 2018.

In addition, in November 2015, a Circular ([IWC.CCG.1178](#)) announced that the Czech Republic had withdrawn its objection to the Amendments made to the Schedule at the IWC63 (2011), IWC65 (2014) and IWC66 (2016) meetings, to be effective 20 November 2015. The Secretariat has added an editorial comment to the relevant footnote in Table 1 in the 2016 Schedule.

The Secretariat is grateful for the notification of these omissions and apologises for the errors.
