Conservation Committee Meeting: Reminder and Documents

Further to Circular Communications IWC.CCG.1410 and IWC.CCG.1412 we would like to remind Contracting Governments and Accredited Observers of upcoming deadlines for the forthcoming Conservation Committee meeting, Monday 28 September to Friday 2 October.

The deadline for registration is **mid-day (UK time) on Monday 14 September**. As some meeting e-mail correspondence will only be sent to registered participants in advance of the formal start of the meeting on 28 September it is essential that we receive all registrations by this date.

The deadline for submission of documents is **close of business Friday 11 September**.

Documents will be posted on the meeting page here <https://iwc.int/cc-intersessional-2020> where there are also links to the schedule and registration.

We look forward to your participation in the Conservation Committee and to a fruitful meeting.
