CIRCULAR COMMUNICATION TO COMMISSIONERS, CONTRACTING GOVERNMENTS  
AND MEMBERS OF THE SCIENTIFIC COMMITTEE  
IWC.ALL.15

**Modification of IWC Secretariat Address**

Due to business and residential growth in Cambridge certain postal addresses have become exhausted and the Royal Mail has found it necessary to change our address to the following:

International Whaling Commission  
The Red House  
135 Station Road  
→ Impington  
CAMBRIDGE  
→ CB4 9NP

There is no change to the location of the office, nor of the telephone, fax and e-mail addresses.

In the interests of conservation, we shall use up our stocks of headed stationary before reprinting with the new address, and the Royal Mail will make arrangements to handle our mail with either the old or the new address on it until September 1999.

Dr. R. Gambell  
Secretary to the Commission
