CIRCULAR COMMUNICATION TO COMMISSIONERS, CONTRACTING GOVERNMENTS
AND MEMBERS OF THE SCIENTIFIC COMMITTEE
IWC.ALL.26

Voluntary Contribution to the Research Fund

The Secretary is pleased to report that the Government of Japan has made a voluntary contribution to the IWC Research Fund of £7,086. This money is designated to carry out the work identified by the Scientific Committee concerning abundance estimation from JARPA data, but for which there was insufficient funding from the Commission's budget last year (IWC/51/4 item 6.3.2(3) Abundance estimation from JARPA data).

Dr R. Gambell
Secretary to the Commission
