CIRCULAR COMMUNICATION TO COMMISSIONERS CONTRACTING GOVERNMENTS,
MEMBERS OF THE SCIENTIFIC COMMITTEE AND OBSERVERS
IWC.ALL.31

Whalewatching Tours

Conference Logistics has asked that we circulate the following information on Whalewatching Tour Operators to delegates and observers attending the forthcoming IWC Annual Meeting in Adelaide. Advance booking is highly recommended. We have been informed that viewing southern right whales at the Head of Bight is spectacular and highly recommended but requires at least a full day (and preferably two) to get to and from Adelaide.

Dr R. Gambell
Secretary to the Commission
