REMINDER: Conservation Committee Position

The Secretariat had no response to Circular (IWC.CCG.1429) regarding nominations for the Conservation Committee position, Chair of the Ship Strikes Working Group. Contracting Governments or accredited observers are invited to make nominations for this position to Secretariat@iwc.int by 12 February 2021.

We very much hope that we can fill this important leadership role to enable the continuation of Conservation Committee work to address this important threat to cetaceans and to facilitate the implementation of the Ship Strikes Strategic Plan and Work Plan.

Anyone wishing to have an informal discussion regarding this position is invited to contact the Secretariat or the Chair of the Conservation Committee – Lorenzo Rojas-Bracho.
