Zoltán Czirák

I am deeply sorry to inform you of the sudden passing of Zoltán Czirák, Commissioner from Hungary. Covid-19 has taken its toll among us.

Zoltán was appointed Commissioner for Hungary in 2011. He was an enthusiastic and committed participant at many IWC meetings. Commissioners from the EU countries will miss the knowledge and experience he brought to EU coordination meetings, particularly on the links between IWC issues and trade and conservation matters. He will be remembered for his important interventions over the years, and most recently, at the IWC Conservation Committee Meeting last autumn.

Our thoughts are with Zoltan's family, his many friends and colleagues.
