Sub-committees/working group name: O

Catches Reported for the 2020 Season

C. Allison and S. Burkett

Papers submitted to the IWC are produced to advance discussions within that meeting; they may be preliminary or exploratory.

It is important that if you wish to cite this paper outside the context of an IWC meeting, you notify the author at least six weeks before it is cited to ensure that it has not been superseded or found to contain errors.

Catches Reported for the 2020 Season

C. Allison & S. Burkett

Table 1.
