CIRCULAR COMMUNICATION TO COMMISSIONERS, CONTRACTING GOVERNMENTS AND
MEMBERS OF THE SCIENTIFIC COMMITTEE
IWC.ALL.74

Time-frame for IWC/57 in Ulsan, Republic of Korea, 2005

Initially it was foreseen that the 57th Annual Meeting in Ulsan would take place during the month of May 2005. However, for logistical reasons, the Government of the Republic of Korea now proposes that the meeting be held in the period 30 May to 24 June 2005. The exact timing will be decided by the Commission when it meets later this year in Sorrento.

Secretary to the Commission
