Procedures for IWC Virtual Special Meeting – 8-10 September 2021

I am pleased to attach detailed instructions for participants attending the forthcoming IWC Virtual Special Meeting, 8-10 September 2021. We urge all participants to log onto the meeting at least a half hour before the session begins on each day.

Please note that all delegations and observer organisations are required to supply credentials before attending the meeting as detailed in Circular Communication IWC.CCG.1469 dated 6 August 2021.

As of today, there are still 34 member countries that have not provided their Credentials and therefore are not registered for the meeting. Kindly send your credentials as soon as possible so that we can ensure you are able to participate in this Virtual Special Meeting.

All documents and translations for the meeting are available [here](#). Translation of the attached document will be available shortly.

Do not hesitate to contact the Secretariat if you have any questions or concerns.
