

Circular Communication to Commissioners, Contracting Governments and Members of the Scientific Committee

IWC.ALL.406

c.c. Accredited observers to the IWC

Surplus stock: IWC Publications

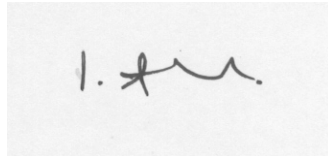

It is hereby notified that during the recent audit of physical assets held at the IWC Headquarters in Cambridge, surplus stock of in-print copies of IWC Publications (mainly from the *Journal of Cetacean Research and Management* series) have been marked for disposal.

Consequently, these printed copies are now being offered in the first instance to you, the IWC community. If you would be interested in obtaining any of these printed books (individual books or as a complete set), please contact the Secretariat Publications team at publications@iwc.int for

further details of availability and shipping details. If you are aware of any institutions or educational establishments in the wider community who may have an interest in the work of the IWC and who may appreciate the opportunity to obtain printed copies of our Publications, please reach out to them.

Copies not distributed to interested parties will be commercially disposed of in due course.

Thank you

A rectangular box containing a handwritten signature in black ink. The signature appears to be 'I. Staniland' written in a cursive style.

Dr Iain Staniland
Head of Science, Conservation and Management
