**Contracting Government Financial Contributions 2022**

At its Virtual Special Meeting on 9-10 September 2021, the Commission agreed a one-year budget for the 2022 financial year. This budget, covering the period for the financial year 1 January – 31 December 2022, includes frozen financial contributions from Contracting Governments totalling £1,656,600.

The attachment to this Circular explains how the Contributions Formula is applied, with Table 1 detailing the amount due from each Contracting Government. As required by Rule of Procedure K.2, the budget is included in Note 1 of the attached document. As in every year, the application of the formula may lead to some fluctuations in contributions, and any questions should be addressed to the Secretariat at [finance@iwc.int](mailto:finance@iwc.int).

This Communication constitutes the formal request for payment required by Financial Regulation E.1. and payment is due by **30 June 2022**.

The Commission's most recent audited accounts can be on our website [here](#).

Invoices will be issued to each Contracting Government via email following this Circular.

We appreciate your continued support of the work of the IWC.
