Circular Communication to Commissioners, Contracting Governments and
Members of the Scientific Committee

IWC.ALL.414

c.c. Accredited observers to the IWC

**Identification of National Delegates to the
2022 Virtual Meeting of the Scientific Committee**

Commissioners are reminded of the need to identify the members of their national delegations to the forthcoming meeting of the IWC's Scientific Committee to be held virtually from 25 April to 13 May 2022. There is no limit to the size of a national delegation.

We would be grateful if you could provide the Secretariat (secretariat@iwc.int) with the names and contact details of all nationally nominated delegates as soon as possible in order for registrations to be approved. It is particularly important that the letter of credentials indicates the Head of Delegation and any alternates. Email notifications will not be accepted as the formal credentials, although advance notification by these means is helpful.
