Draft Agenda – Scientific Committee Meeting (SC69A)

The draft agenda for the Scientific Committee meeting SC69A is attached. Any comments on this draft agenda should reach the Scientific Committee Chair, Dr Alex Zerbini (sc.chair.zerbini@iwc.int), by Monday 27 March to allow for the publication of the annotated agenda 21 days prior to the start of the meeting (Monday 3 April). The draft annotated agenda will be discussed at the first Plenary session on Monday 24 April 2023.

Please note that the link for online registration will be sent shortly.

Dr Iain Staniland
Head of Science, Conservation and Management
