

INTERNATIONAL
WHALING COMMISSION

Journal of Cetacean Research and Management

Volume 24 Supplement April 2023

INTERNATIONAL
WHALING COMMISSION

The Journal of Cetacean Research and Management

ISSN 1561-0713

**The Journal is published by
the International Whaling
Commission (IWC), with at least
one Supplement that will contain
the full Report of the Scientific
Committee of the IWC**

The Journal has been established
to publish papers on those
matters of most importance to the
conservation and management of
whales, dolphins and porpoises,
and in particular papers that are
relevant to the tasks of the IWC
Scientific Committee

These will include papers on:

- population assessment and trends
- population dynamics
- population biology
- taxonomy
- risk averse management strategies
- direct and indirect exploitation
- environmental changes and threats in the context of cetaceans
- scientific aspects of whale watching and sanctuaries

Editorial Staff:

Scientific Programme Coordinator:
Jemma Jones

Assistant Editor: Patrick Naylor

Editorial Assistants:

Stella Duff and Andrea Davies
