Final Reminder on Pre-registration for SC69A

As stated in Circular Communication IWC.SC.239, we ask that all delegates to SC69A that have not already registered for the event to do so [here](#) as soon as possible. Each individual participating at SC69A must complete the form to gain access to the event and receive the relevant documentation. Once registration has been completed and approved, you must provide a passport-sized photo (*jpg* or *png*) to secretariat@iwc.int in order to receive your ID badge when you arrive at the meeting. Confirmation of registration approval will be sent by email to the address you provide during registration. Only those who have an approved registration will gain access to the meeting online resources and will be able to attend the meeting in-person.

If you have registered, but not provided a photo, please could you forward the photo to secretariat@iwc.int as soon as possible as failure to provide a photo before the meeting will result in delays when collecting your badge at onsite registration.

For technical assistance with the online registration process please contact it.support@iwc.int. For assistance on meeting attendance, please contact secretariat@iwc.int.
