64th Annual Meeting of the Commission and Scientific Committee

I am pleased to circulate an information note prepared by the Government of Panama as host country of the 64th Annual Meeting of the Commission and associated meeting of the Scientific Committee.

The note contains information on visa application procedures, hotel bookings, official receptions for delegates to the Scientific Committee and Commission and tour activities. The note also introduces the exhibit area at Hotel El Panama which will allow Government delegations and observer organisations to demonstrate their work relevant to the issues being discussed at IWC/64.
