AND MEMBERS OF THE SCIENTIFIC COMMITTEE
IWC.ALL.199

Announcement of Dates and Venue for 2014 Meeting of the IWC Scientific Committee

I am delighted to report that the Government of Slovenia has confirmed its offer to host the IWC Scientific Committee meeting in 2014. The meeting will be held in the alpine town of Bled from 12 – 24 May 2014.

The venue will be the Sava Resorts and Hotels. All information regarding booking of accommodation, visa protocols and any pre-meetings will be circulated at the latest in early 2014.

Bled is a beautiful resort and will provide excellent working conditions. The Government of Slovenia will facilitate links and visits to local marine research institutions and nature conservation organisations as part of their offer to host.

I would like to express my sincere gratitude to the Government of Slovenia for their kind offer to support this important meeting.
