## CIRCULAR COMMUNICATION TO COMMISSIONERS AND CONTRACTING GOVERNMENTS IWC.CCG.12

### Reference Materials at the 50th Annual Meeting

The Secretariat will have available recent Annual Reports and meeting documents in Oman. However, we may have difficulty in obtaining quickly other items during the course of the meeting unless we have been forewarned.

It is therefore requested that all members of the Commission who may want specific reference materials, which they are not able themselves to provide, should inform the Secretariat of their likely requirements well before the meeting, and no later than **14 April 1998**.

Dr. R. Gambell  
Secretary to the Commission
