CIRCULAR COMMUNICATION TO COMMISSIONERS
AND CONTRACTING GOVERNMENTS
IWC.CCG.21

Appointment of Consultants to Undertake the IWC Administrative Review

The Secretary refers to his Circular Communication dated 5 December 1997 (ref: RG/JAC/26990 - IWC.CCG.6), and is now able to inform Commissioners and Contracting Governments that after considering the applications received, the Advisory Committee has appointed the firm of Deloitte Touche Tohmatsu International to carry out the external review identified in paper IWC/49/22 Rev 3 and IWC Resolution 1997-9).

The Secretary has had initial discussions with these consultants and a programme is being developed which will lead to the preliminary findings being presented to the Finance and Administration Committee when it meets in Muscat, Oman prior to the 50th Annual Meeting of the Commission.

As part of the process, Deloitte Touche Tohmatsu International will contact a number of Commissioners for discussion and information. We shall be grateful if you will co-operate with them on this matter.

Dr. R. Gambell
Secretary to the Commission
