Reference Materials at the 52nd Annual Meeting

The Secretariat will have available recent Annual Reports and meeting documents in Adelaide. However, we may have difficulty in obtaining quickly other items during the course of the meeting unless we have been forewarned.

It is therefore requested that all members of the Commission who may want specific reference materials, which they are not able themselves to provide, should inform the Secretariat of their likely requirements well before the meeting, and no later than **31 May 2000**.

Dr. R. Gambell
Secretary to the Commission
