**Voluntary Contribution from the US Government  
Conservation Management Plan (CMP) for the Southwest Atlantic  
Southern Right Whales (SWA-SRW).**

The US Government is pleased to announce a voluntary contribution of USD \$30,000 intended to contribute to the detailed Conservation Management Plan (CMP) for the Southwest Atlantic Southern Right Whales (SWA-SRW).

As the current coordination of the SWA-SRW CMP is held by the Brazilian Government, through the National Center for Aquatic Mammals (CMA/ICMBio), and the last workshop was held in June 2022, these funds are to support a follow-up meeting to be held 4-5 March 2024 in Santos, Brazil.
