Identification of National Delegates to the 2024 Meeting of the Scientific Committee

Commissioners are reminded of the need to identify the members of their national delegations to the forthcoming meeting of the IWC's Scientific Committee to be held in person from 22 April to 3 May 2024 (see [Rules of Procedure, section D](#)). There is no limit to the size of a national delegation and delegation size at Scientific Committee meetings does not affect members contributions.

We would be grateful if you could provide the Secretariat (secretariat@iwc.int) with the names and contact details of all nationally nominated delegates as soon as possible in order for registrations to be approved. It is particularly important that the letter of credentials indicates the Head of Delegation and any alternates. Email notifications will not be accepted as the formal credentials, although advance notification by these means is helpful.
