CIRCULAR COMMUNICATION TO MEMBERS OF THE SCIENTIFIC COMMITTEE
AND INVITED PARTICIPANTS
IWC.SC.87

Advance registration for IWC/55

As noted in the '*New Instructions on the preparation, submission and distribution of documents for the 2003 Annual Meeting of the Scientific Committee*' (see Circular Communication IWC.SC.84 of 26 March 2003), members of the Scientific Committee and Invited Participants are being asked **to register in advance for the Scientific Committee meeting in Berlin this year**. Advance registration should help to reduce the number of returned documents and waste paper created at meetings and will also assist the Secretariat in its preparations.

Advance registrations should be done via the following web address: <http://217.154.69.3:8245/>.

Please remember to register only once and to do so as soon as possible **but by 9 May at the latest**. If you subsequently wish to change any details then e-mail them to Helen Sharp (hsharp@iwcoffice.org).

Secretary to the Commission
