CIRCULAR COMMUNICATION TO MEMBERS OF THE SCIENTIFIC COMMITTEE
IWC.SC.144

**IWC/61: Reminder regarding identification of and credentials for the
Heads of National Delegations to the Scientific Committee**

In advance of the Annual Meeting in Madeira, I just wanted to remind you that Heads of National Delegations to the Scientific Committee need to be identified, and that written credentials for these individuals must be provided to the Secretariat in advance or handed in at the beginning of the meeting of the Scientific Committee.

A Circular Communication was sent on 6 March (IWC.CCG.764) to Commissioners and Contracting Governments reminding them of the need for proper written credentials for the Commission and for the Scientific Committee, including identification of the SC Head of Delegation. You may wish to ensure that the Head of Delegation for your country is appropriately identified.

Dr. Nicky Grandy
Secretary to the Commission
