CIRCULAR COMMUNICATION TO MEMBERS OF THE SCIENTIFIC COMMITTEE
IWC.SC.158

Necessity to book accommodation early in Tromsø

Circular Communication IWC.ALL.157 of 5 January gave details of the Scientific Committee meeting which will be held in Tromsø, Norway from 30 May to 11 June 2011.

Arne Bjørge, who knows Tromsø well, has asked me to remind you of the importance of booking accommodation early as rooms in Tromsø are always entirely sold out in May/June.

The Secretariat is holding block reservations on behalf of prospective delegates of the Scientific Committee at the Radisson Blu, Thon Hotel and Amalie Hotel. **The deadline for these block bookings is 31 January – after that you are on your own!** The rates at the meeting venue - the Radisson Blu - are particularly good value for the standard of accommodation. Circular IWC.ALL.157 gives details of how to book a room under this reservation and you can also find details at <http://www.iwcoffice.org/meetings/meeting2011.htm>.

Dr. Simon Brockington
Secretary to the Commission
