The De Vere University Arms, the Royal Cambridge and the Crowne Plaza hotels are all a short taxi journey from either the train or coach station although both, and particularly the coach station, are within walking distance (see map attached).

Finally, could I remind those Contracting Governments who have not yet done so, to provide information by 30 September on their delegations to both the Special Meeting and to the RMS intersessional as requested in Circular Communication IWC.CCG.269.
