CIRCULAR COMMUNICATION TO COMMISSIONERS
AND CONTRACTING GOVERNMENTS
IWC.CCG.340

Further documents for the Whale Killing Methods Workshop at IWC/55

Please note that since Circular Communication IWC.CCG.337 on Friday 16 May, two further documents in relation to the Workshop on Whale Killing Methods and Associated Welfare Issues are now available on the IWC website:

- IWC/55/WK 4 Evaluating possible indicators of insensibility and death in cetacea (submitted by the UK)
- IWC/O1/EDG4 Extract from Document IWC/O1/EDG4 prepared for the RMS Expert Drafting Group (EDG) meeting in Oct/Nov 2001; Part 2 Information on Whale Killing Methods and Associated Welfare Issues.

The above documents will only be sent by email to those who have specifically requested them (see Circular IWC/CCG.332). As usual, hard copies will be sent to Commissioners and Contracting Governments who routinely receive communications in this way. To access documents on the website, you can go straight to the following link <http://www.iwcoffice.org/Agenda%20info%202003.htm>. Alternatively, go to the web site (www.iwcoffice.org), click on '2003 Meeting', and then on 'Draft Agendas and Documents'.

PLEASE BRING COPIES OF PRE-CIRCULATED DOCUMENTS WITH YOU TO THE MEETING as we do not intend to provide extra copies of these documents in Berlin on a routine basis.

Dr. Nicky Grandy
Secretary to the Commission
