

CIRCULAR COMMUNICATION TO COMMISSIONERS  
AND CONTRACTING GOVERNMENTS  
IWC.CCG.515

**Verbatim Recording of the 57<sup>th</sup> Annual Meeting now available**

The audio recordings of the 57th Annual Meeting in Ulsan are now available on DVD in MP3 format. **Please contact the Secretariat if you would like to receive a copy.**

In previous years the audio recordings have been provided on CD. However, because of the length of the meeting in Ulsan, the recording would have had to be split between two CDs. For this reason, the recording has been captured on a single DVD.

The DVD has a menu that follows the Agenda with a separate audio track for each Agenda item. As previously, where discussions on a particular item were carried over to, for example, another day, they have been grouped together to make the recording more user-friendly.

The disc includes:

- Full instructions on how to use the DVD;
- A PDF copy of the Annotated Agenda;
- Links to free media players.

Please note that these discs will not play on CDROM drives.

Secretary to the Commission
