CIRCULAR COMMUNICATION TO COMMISSIONERS
AND CONTRACTING GOVERNMENTS
IWC.CCG.669

Documents arising from two meetings in Buenos Aires: revised document

Circular Communication IWC.CCG.658 of 21 December, provided copies of the following two documents:

- Latin American Co-operation Strategy for the Conservation of Cetaceans – from a meeting in Buenos Aires on 4 December 2007;
- Latin American Meeting for the Conservation of Cetaceans – meeting held in Buenos Aires on 4 and 5 December 2007

In the first document, mention of the attendance at the meeting by the IWC Commissioner for Mexico was omitted from the first paragraph. I have just received a revised version of this document from Argentina's Embassy in London in which Mexico is now listed and have been requested to circulate to all Commissioners and Contracting Governments.

Dr Nicky Grandy
Secretary to the Commission
