

CIRCULAR COMMUNICATION TO COMMISSIONERS
AND CONTRACTING GOVERNMENTS
IWC.CCG.871

Revision Document IWC/62/5 Financial Statements

Please note that a minor revision is required to the Financial Statements document made available on 22 April.

After circulation the Secretariat noticed a typographical error in Note 5 to Table 7 on page 22. In that note, the proposed NGO registration fees are shown as follows:

- £ 520 for the first observer, and
- £ 210 for each additional observer.

The fee for each additional observer as shown above is incorrect. The proposed fee for each additional observer for 2009-2010 should be £ 260 (is it currently £253).

A revised version (IWC/62/5rev) is now available on IWC's website at:

<http://www.iwcoffice.org/documents/commission/IWC62docs/iwc62docs.htm>

The Secretariat apologises for any confusion this may have caused.

Head of Finance & Administration
