Review of IWC's Rules of Procedure

At IWC/62 in 2010 the Commission endorsed a proposal from the Finance and Administration Committee that 'the Secretary review the Commission's rules and procedures, including its financial rules and procedures, in comparison with other intergovernmental organisations and submit a report to the Finance and Administration Committee at IWC/63'

The first draft of the Review is attached to this Circular Communication for comment by Contracting Governments. Please could I receive any comments or feedback by Friday 29 April 2011.
