IWC.CCG.1000

**Provisional List of Invited Participants to the Scientific Committee**

Please find attached the provisional list of participants invited to attend the Scientific Committee Meeting at IWC/64 in Panama. The list is based on discussions between the Chair of the Scientific Committee and Convenors of the sub-committees. Note that not all the invited participants will be funded by the Commission. A final list will be attached to the Report of the Scientific Committee.

Please let me know as soon as possible if there are scientists from your country currently included in the attached list that you wish to include on your delegation and consequently for whom you would meet their travel and subsistence funding requirements.
