CIRCULAR COMMUNICATION TO COMMISSIONERS
AND CONTRACTING GOVERNMENTS
IWC.CCG.1111

Reinstatement of right to vote: Cote d'Ivoire

Further to Circular Communication IWC.CCG.1095, I am pleased to report that the Government of Cote d'Ivoire has now paid more than two years outstanding financial contributions and provided an undertaking to repay the balance of arrears in 2015.

This is in accordance with Financial Regulation F.5.(e) which states:

5. If a Contracting Government's annual payments, including any interest due, have not been received by the Commission in respect of a period of 3 financial years;

(e) the provisions of this Regulation and of Financial Regulations F.1. and F.2. will cease to have effect for a Contracting Government if it makes a payment of 2 years outstanding contributions and provides an undertaking to pay the balance of arrears and the interest within a further 2 years.

Voting rights have therefore been restored.
