Circular Communication to Commissioners, Contracting Governments and
Members of the Scientific Committee
IWC.ALL.243

**Voluntary Contributions
(July – December 2015)**

I am pleased to report the receipt of voluntary contributions for the six month period July-December 2015 as shown on the attached table. Previously, Circular Communication IWC.CCG.1162 of 10 July 2015 listed voluntary contributions received in the 10 month period between IWC65 in September 2014 and June 2015.

The donations received between July and December 2015 have been credited as appropriate to the Aboriginal Subsistence Whaling Fund, the Other Work Fund, the Small Cetacean Fund, the Conservation Fund and the General Fund to further the work of these important areas.

Additional funds are always welcome from Contracting Governments and Non-Governmental Organisations. Any Governments or organisations considering making a contribution are encouraged to contact secretariat@iwc.int for further information.
