**2016 Meeting of the Working Group between the
Conservation Committee and Scientific Committee**

The IWC's consensus Resolution 2014-4 agreed to establish a Working Group between the Conservation Committee and the Scientific Committee in order to propose a procedure to facilitate the implementation and follow-up of conservation recommendations.

This Working Group met for the first time after the close of the 2015 Scientific Committee meeting in San Diego.

I am pleased to confirm that the Working Group will meet for a second time on the afternoon of Monday 20 June at the Golf Hotel, Bled, Slovenia. This is the same venue that will be used for this year's Scientific Committee meeting.

The meeting is open to any delegate from the Scientific or Conservation Committees who wishes to attend. All delegates are requested to register through the IWC portal at: <https://iwc.int/joint-sc-cc-meeting-june-2016>

Further information or support with the registration process can be obtained by contacting secretariat@iwc.int

The draft agenda for the Working Group will be circulated by 21 April 2016 (i.e. 60 days before the meeting).
