Circular Communication to Commissioners and Contracting Governments
IWC.CCG.1230

Invitation to submit voluntary conservation reports

It is customary for meetings of the Conservation Committee to receive voluntary national cetacean conservation reports from Contracting Governments. These reports contain new information relating to the establishment of laws, regulations and other measures relevant to the conservation of cetaceans which have arisen during the last biennium.

Contracting Governments are thus invited to submit reports at their earliest convenience to secretariat@iwc.int.

The reports will be considered by the Conservation Committee at its forthcoming meeting on Friday 21 October 2016.
