IWC.CCG.1241

Feedback request from IWC66

The Commission's 66th Meeting concluded on 28 October 2016 in Portorož, Slovenia. During the meeting several procedural changes, as well as technical and venue improvements, were introduced in response to feedback from IWC65 in 2014. These include, for example, upgraded internet connection, online pre-payment and a lengthened meeting duration.

Following a request made at IWC65 I would now like to ask for feedback on the introduction of these procedures and delegates' overall experience at IWC66. All feedback is valuable and will be used to help the Secretariat continue to improve the service it provides to the Commission when organising meetings.

A feedback questionnaire is available and can be completed easily on line in just a few minutes. Please click on the following address:

All delegates to IWC66, including Contracting Government representatives and IGO, NGO and Media observers are encouraged to complete the form by **Friday 25 November 2016**.

Thanking you in advance,

Simon Brockington
