Chair's Report of the Commission's 66th Meeting

I am pleased to circulate the Chair's Report of the Commission's 66th Meeting held in Portorož, Slovenia from 24-28 October 2016. A team of rapporteurs worked alongside the Secretariat for the duration of IWC66 to compile the report. It was then reviewed by the Secretariat and approved by the Chair of IWC66 (Bruno Mainini, Switzerland).

The report is available here: <https://archive.iwc.int/?r=6377>

The Annexes to the report will be added to the website in the near future.

This report is additional to the 'Summary of Main Outcomes, Decisions and Required Actions from the 66th Meeting'. The Commission adopted this summary document by consensus at the end of IWC66 and it is available at:
