Circular Communication to Commissioners and Contracting Governments
IWC.CCG.1260

Strandings Networks

Further to the Circular IWCALL258, which requested that Contracting Governments update their contact information for their strandings networks, we are now circulating the revised and current list of strandings networks.

Contracting Governments are kindly requested to provide any revisions by **30 May 2017** after which this list will be published on the IWC website.

Simon Brockington
Executive Secretary
