

Circular Communication to Commissioners and Contracting Governments
IWC.CCG.1325

Comments received on ASW catch/strike limit requests and Special Permit Programmes

Further to Circulars IWC.CCG.1321, IWC.CCG.1313 and IWC.CCG.1314, comments on ASW catch/strike limit requests have been received from the following Contracting Governments and other organisations and posted upon the IWC portal (<https://portal.iwc.int/>):

Country/organisation	Date received	Document number
Austria for EU	9 August 2018	IWC/67/ASW 08
International Environmental Law Project	10 August 2018	IWC/67/ASW/NGO/01
Animal Welfare Institute and Whale and Dolphin Conservation Society	11 August 2018	IWC/67/ASW/NGO/02

ASW countries are invited to provide written responses to these comments by 26 August 2018 (i.e. 10 days before the ASW Sub-Committee meeting). These responses will also be posted as ASW Sub-Committee documents.

Thank you for your consideration of this important process in preparation for IWC67.
