**Voluntary Contributions: July-December 2018**

I am pleased to report on voluntary contributions to the International Whaling Commission. The attached table lists contributions made during the period 1 July 2018 – 31 December 2018.

Additional funds are always welcome from Contracting Governments and Non-Governmental Organisations. Many current IWC activities depend in whole or in part on voluntary contributions. Any Governments or organisations considering making a voluntary contribution are encouraged to contact [secretariat@iwc.int](mailto:secretariat@iwc.int) for further information.

As Secretary I would like to thank those who have provided contributions to date.
