## Editorial

---

Welcome to this the second issue of the thirteenth volume of the *Journal of Cetacean Research and Management*. This volume contains nine papers covering a wide range of conservation and management issues.

To submit a manuscript to the Journal, please contact in the first instance Jessica Peers (e-mail: [jessica.peers@iwc.int](mailto:jessica.peers@iwc.int)).

*A Guide for Authors* is published at the end of issue one, and is also available online at the journal address below.

The Journal will be launching online this year. Go to <http://www.iwc.int/jcrm> for details.
