Dear Commissioners,

As you may recall, at the 63rd Annual meeting of the International Whaling Commission (IWC) the Commission endorsed the proposed 5-Year Strategic Plan for Whalewatching (IWC/63/CC 3). I would like to request, on behalf of the Standing Working Group on Whalewatching (SWG-WW) that Parties kindly include information on relevant actions contemplated in the objectives of the strategic plan, mainly for objective 5 - management, in their Voluntary National Cetacean Conservation Reports.

Yours sincerely,
