## **IWC Voluntary Assistance Fund Application Form**

The IWC's Voluntary Assistance Fund is established under Resolution 2016-6. Its purpose is to facilitate Contracting Governments of Limited Means to participate fully in the work of the Commission.

Contracting Governments may request funds for travel and subsistence for full participation in IWC meetings and activities including capacity building exercises, scientific research, and conservation and welfare activities.

### **Eligibility**

Please note that applications to this fund are open only to Contracting Government representatives from IWC Capacity to Pay groups one and two. Contracting Governments must not be in arrears of contributions, and must not be European Union member states or members of the Organisation for Economic Co-operation and Development.

### **Disbursement of Funds**

Delegates will be notified at least 30 days before the meeting whether or not they will receive funding from the Voluntary Assistance Fund.

Where funds have been requested for travel, the Secretariat will hold the funds until such time as each respective Government provides instructions to the Secretariat to effect the payment.

Upon receipt of instruction from each respective Government, the Secretariat will purchase travel tickets as previously determined in each respective application.

Any daily subsistence allowance and terminal expenses will be disbursed, based on actual presence and actual receipts respectively after the closure of the meeting.

If funds have been requested for purposes other than travel to meetings, the Secretariat will disburse funds in a timely manner to the Government while ensuring adequate oversight of all disbursements.
